Jaffna

POINT OF PEACE

A GOLD MEDAL DREAM THAT UNITES A NATION

Our Focus

Disasters come in many forms. Tsunami, Terror Attacks, Floods and today the Pandemic, which has caused so much of damage. Pandemic is a disaster that we don't see in real form. But it has caused damage to the whole nation.

But our focus today is the youth of Northern province, they have faced disaster in all aspects of human life.

- Mentally
- Physically
- Spiritually
- Socially

How can we help them get over the above, through our efforts?

Objectives

- Recover Youth from mental, spiritual, physical and social drawback.
- Constructing Sri Lanka's biggest Athletic Sporting Academy.
- Create & achieve a dream that could make Sri Lanka proud.
which is the
Olympic Gold Medal.

Objectives

- Motivate youth of Northern province to be an example to the rest of the country.
- Tell the world that Jaffna is the '**Point of Peace**' not only to SriLanka but to the world.
- The above statement will automatically change the attitudes and behavior of the majority of people from violence and hate towards peace and unity.
- Connect Northern Province youth with the rest of the country via a common goal.

Project Design Concept

- The entire property is to be developed with a European style and standard as the concept has been planned mainly to youth of north. Our expectation for them is to practice in an atmosphere that represents ***European standard***.
- The sports facility will be backed and add value with the next level that adds major character which converts the entire project to be a ***profitable venture, that supports the Academy***.
